
TOKIWA KITARERI!! FINAL CHAPTER

BEFORE YOU READ THIS WAS TRANSLATED WITH GOOGLE TRANSLATOR SO PROBABLY IS VERY BAD EVEN IF I TRIED TO DO MY BEST WORK IN ADAPTING (PLUS ENGLISH IS NOT MY NATIVE LENGUAGE) BY THE WAY... OBVIOUSLY, SPOILER ALERT.

TRANSLATOR NOTE REIN HAVE TWO PERSONALITIES. THE ALL-KNOWLEDGE IS REFERED AS "WATASHI" REIN AND THE OUT-OF-RANGE IS CALLED AS "BOKU" REIN, BUT I PREFERED TO USE "OTHER REIN" FOR THE FIRST AND "THIS REIN" FOR THE SECOND

HEY...

You're probably wondering why I only uploaded the two last chapters ...
Well, my Japanese is null and my English... well is okay (I know, is a torture to read this),
but I wanted that this two chapters were available, so I did it.
Of course, if one day some scanlation continues it, I will gladly delete this
so you can enjoy a better translation.

And sorry, as I said before, I don't know Japanese, these two chapters were a torture to translate, so I can't do more, an apology...

TRANSLATION SHADRAN SHIRANAMA AND GOOGLE TRANSLATOR
